Officers, WMUA--FM
Old Engineering Building
University of Massachusetts
Amherst, Massachusetts 01002

Dear Dick, Sandy, Phil, Jay, and Jay:

Congratulations on your election as officers of WMUA and perceptiveness in selecting outstanding advisors.

As you know better than I, you are entering into one of the most exciting phases of WMUA's development, and I hope I will be able to help you in this growth. Please feel free to consult with me if you feel there is any way I can be helpful to you.

While my expertise in the technical phases of your activities are limited, if nd non-existent, perhaps I can serve usefully in whatever contacts are necessary with the administration. To this end, please put me on your mailing list so that I will be informed as to when station meetings or other committee meetings are being held, and feel free to involve me in any other areas when you feel I can help you. Regarding distribution of material from the station, the University Secretary, Mr. Robert McCartney has also asked me to ask you to include him on distribution of minutes and related materials so that he may keep the appropriate Board of Trustees subcommittee up to date.

I'll look forward to working with you this year and again, extend my congratulations to you all.

Sincerely,

Robert N. Brooks
Assistant to the
Dean of Students
